

Expo Stand Guidelines

Gen-E 2025, Athens

The Expo will feature teams from:

Competing Teams

- ⚡ Competing - National Winners - Upper Secondary Level
- ⚡ Competing - National Winners - University Level

Non-Competing Teams

- ⚡ Online Award Winners
- ⚡ Hackathon Winning Teams

Location of Expo

The Expo will be set up at the Hellenic Cosmos Foundation, on 3 Floors. A map will be provided at a later stage.

Dimensions of the Stand

- ⚡ Back Panel Area dimensions for use: 170cm(height) x 105cm(width) [BLUE AREA IN PICTURES BELOW]
- ⚡ Material of the back panel is Fabric (Nylon) Based([FR Loop Nylon - Fire Resistant Display and Exhibition Fabric](#)) , not a smooth hard surface. - double sided Velcro can be used to stick materials up. It will be a dark colour [blue/black]
- ⚡ 1 desk 100cm (width) x 100cm (height) x 60cm (depth) - wood based
- ⚡ Surface (Floor) area 200cm x 200 cm (single stands) / 400cm x 200 cm (double stands)- This will be a carpeted area in a dark blue tone.
- ⚡ Stool Chair
- ⚡ 1 Electric Socket per team

Do's & Don'ts

What IS allowed

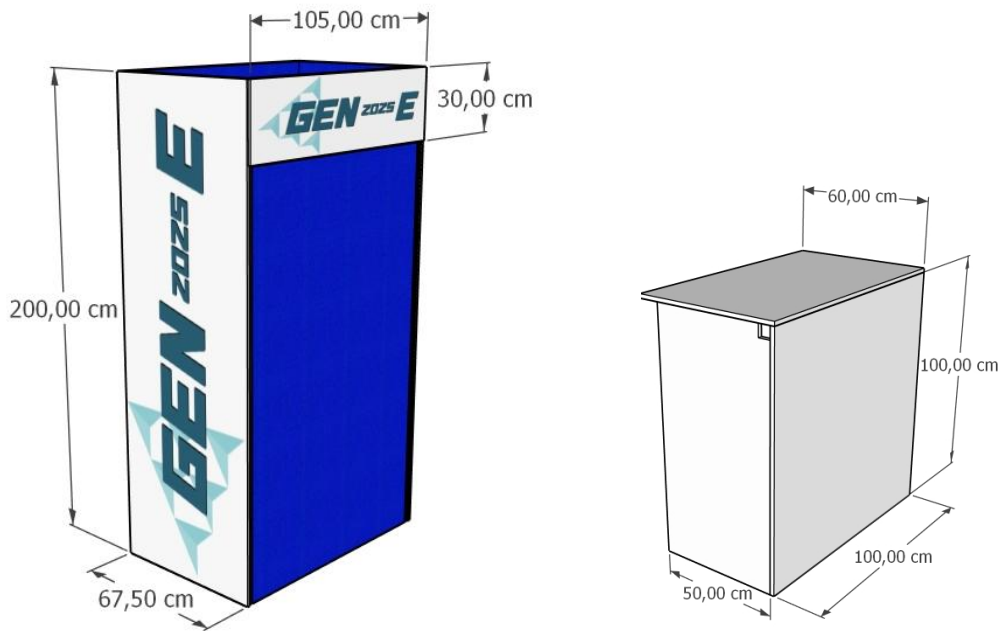

- ⚡ Velcro tape for the back panel due to Fabric Material
- ⚡ Paper Tape
- ⚡ Normal double-sided tape can only be added on a layer of paper tape [to avoid damage] - both for back panel and for backwall
- ⚡ It is possible to use the panel to hang an object that weighs no more than 2 kg (poster, flag..)

What is NOT allowed

- ⚡ Use something to break the stand or it's parts
- ⚡ Make a hole or pierce the walls - no pins
- ⚡ Apply normal double-sided tape directly on the back panel
- ⚡ Cover the stand title
- ⚡ Hang any heavy items
- ⚡ Move the panel

Visual Representation of Stands

For use by teams: Blue panel area [Fabric area as instructed above] on back panel and full desk surface area.
